Foreword

Dear Friends,

Greetings from Shipra Sustainable Development Foundation

It gives me immense pleasure to share the first annual report of our foundation. It is centered around the theme of “Vasudev Kutumbakkam”—the concept that believes that the entire world as one family. We aim to serve all without barriers. Our mission is to foster an inclusive society that celebrates the diversity and plurality of each individual and their respective cultures.

This year has been a time to pay tribute to our teachers from Belgium including academicians, research scholars, and the Belgian Royal Family. Their generous support has been instrumental in illuminating the paths of education and health in the central regions of India. All our activities this year have been dedicated to them as a token of our gratitude. Our foundation has taken its initial steps by focusing on preventive health and nutrition in Odisha and Chhattisgarh.

I would like to thank the members of our Governing Body and Advisory Body. A special token of thanks to Dr. Ranjit Tigga SJ (Provincial Superior of the Madhya Pradesh Jesuit Society) and Dr. Alfred Toppo SJ for their constant motivation and support. I cannot miss to thank all my students including Mr. Darsh, Mr. Dipak, Mr. Sitakanta, Mr. Gunidhee and Adv. Brijesh for lending a supportive hand 24X7. As we take our foundational steps we are thankful to the State Bank of India (Budharaja Branch), Mr. Vernon Fernandes (Team Inertia Technologies, Goa) and C.A Ravi Agrawal (Naar & Company Chartered Accountant).

I look forward to your continued support and guidance as we advance the vision and mission of our foundation.

**With best wishes,
Dr. Mehul Chauhan
Founder**

About Foundation

The landscape of India's evolving development sector is undergoing rapid and dynamic transformations, reflecting global shifts. In contemporary India that is Bharat, we are fortunate to witness remarkable progress in the realms of life quality, communication, transportation, food security, and access to life's essentials. However, amidst this whirlwind of development, a profound yearning persists—a yearning for care, compassion and service that extends its embrace to all stakeholders, encompassing humans, animals, plants, and the environment.

The genesis of the Shipra Foundation is rooted in our aspiration to provide innovative solutions to the pressing challenges that our modern society faces. The name “Shipra” draws its inspiration from the ancient and revered river Shipra, also known as Kshipra, flowing through the heart of India. Its banks have cradled one of the world's most ancient civilizations, epitomized by Ujjain and the centuries-old Mahakaleshwar Temple.

Foundation is firmly grounded in the enduring wisdom of ancient Indian philosophy, embodied in the principle of “Vasudev Kutumbakkam,” which envisions the entire world as one family. In the Jesuit spirit of “Magis” symbolizing the relentless pursuit of excellence, we aspire to contribute to a world that is more harmonious, prosperous and environmentally sustainable, where development is infused with compassion and inclusivity. The foundation aims to render its services pan India and World.
